Warberry School is a Church of England School. We ask all parents applying for a place here to respect this ethos and its importance to the school community. This does not affect the right of parents who are not of the faith of this school to apply for and be considered for a place here.

Warberry CofE Foundation Primary School is a Foundation School located in the Diocese of Exeter. The governing body of a foundation school is the admission authority and has responsibility for admission policy.

This policy details the admission arrangements for our school and should be read in conjunction with the Primary and In-Year Co-ordinated Admissions Schemes and other agreed policies of Torbay Local Authority (LA), available at www.torbay.gov.uk. All policies and procedures seek to comply with the requirements of the School Admissions Code of Practice, available at www.dscf.gov.uk/sacode.

| | |
|--|---|
| Planned Admission Number for 2011-12 | 45 |
| Is the planned organisation of the Reception intake subject to Key Stage One legislation | Yes |
| Home-School Agreement offered to parents | Yes |
| School uniform | Yes |
| Points of entry to school | All children who are allocated a place at the school have the option to be admitted in the September following their fourth birthday. Please see the note below regarding a parent's right to defer entry to school. |

THE NEED TO APPLY

All parents must make an application for their child to be admitted to a maintained primary or infant school, using a Common Application Form from the LA. Places are not allocated to a child automatically, even where:

- there is an older sibling attending here;
- a child attends a particular pre-school or nursery;
- a parent has expressed an interest at any time in the school;
- a child is a member of any religious community; or
- the child has always lived close to the school.

No places will be held in reserve for a child who applies late; the governing body cannot hold empty places if another child applies for admission.

We will share information with the LA and will publicise the need to apply but the responsibility for making an application will be with the parent.

CHOICE ADVICE

Torbay provides advice and support to parents unsure how to apply and express preferences for schools. In addition to the Schools Admission Team, there is independent support from Torbay's Choice Advisor.

VISITING OUR SCHOOL

We welcome visits from parents and children considering applying for a place here. This is an opportunity for parents to see what we have to offer. Visits are not a compulsory part of the admissions process and will not affect decisions on whether a place can be offered at our school. If you would like to visit our school, you should contact the school to make an appointment.

HOW TO APPLY FOR A PLACE AT THE NORMAL ROUND

The normal round of admissions is when children can join our school for the first time. So that all parents who wish to apply for a place in the Reception class of a school can do so each LA co-ordinates applications for the schools in its area. This means parents will receive **one** offer of a school place at the same time as other parents. For our school, Torbay is the LA which co-ordinates applications which have been made either direct to Torbay or passed on by other LAs.

Every parent who wishes to express a preference for a place here must use a LA Common Application Form. For residents of Torbay, this is available online at www.torbay.gov.uk or within the TIPS primary admissions booklet. A reference copy will be available at the school. Residents of neighbouring LAs – Plymouth, Devon, Dorset, Cornwall and Somerset - must apply by contacting their own LA even if a place is requested here.

All applications must be made by the LA closing date; **15 January 2011**.

WHAT HAPPENS NEXT?

If there are fewer applications than places then no application will be refused. Only if there are more applications than there are places available will the governing body prioritise applications according to the oversubscription criteria below.

The LA co-ordinates admissions for all primary and infant schools. A parent could be in a position to be offered a place at more than one school. If that happens, a place will only be offered at the school which the parent preferred the most on the Common Application Form. The home LA will write (or email if the application was online) in April 2011 to advise which school place has been allocated. The offer date in Torbay is **8 April 2011**.

Shortly afterwards, we will also contact successful parents to welcome them to the school and to make arrangements for admission itself. Every parent who makes an application for admission will be offered a school place by the LA – either at a school they have named or at an alternative.

WHAT IF THE APPLICATION WAS LATE?

If an application is submitted by a parent after the closing date but before offers are made, it won't be considered late if it wasn't possible for the parent to apply on time and so long as there is sufficient time to consider it. For instance, a parent may have moved home and had to apply after the closing date or there may have been exceptionally difficult domestic circumstances which prevented the application being made on time. Torbay considers applications received after the closing date according to its Primary Co-ordinated Admissions Scheme. This is available at www.torbay.gov.uk.

Late applications will not be allocated a place at a school at the expense of any applicant who applied on time. If an application is late and a place is refused, the LA will allocate a place at an alternative school.

WHAT IF AN APPLICATION IS REFUSED?

In all cases, a parent who is refused a place here or at any other school has a statutory right of appeal to an Independent Appeals Panel. This Panel will review the decision and will decide whether the refusal was justified on the grounds that the school was full. Even if the Appeals Panel agrees that the school was full, it will also consider the impact on the child and family and may still award a place at the school.

We organise our Reception and Key Stage One children into classes of no more than 30. This is the legal maximum number of children allowed in a Key Stage One class with one qualified teacher. There are very limited exceptions which would allow a school to exceed 30 children in a Key Stage One class. Any appeal for a place here is subject to Key Stage One or Infant Class Size Legislation; a more limited form of appeal. Further information is available from Torbay Council Democratic Services, or

by contacting the Clerk to the Appeals Panel.

WAITING LISTS

A child refused a place will be automatically entered onto a waiting list for vacancies. This will be kept either until a place is available or the parent no longer wishes to stay on the waiting list. Lists are kept in oversubscription order and are not affected by the length of time a child has been on the list. A child's place may rise or fall on the list as places are offered and new applications are made. The waiting list will be administered by the School Admissions Team with a copy being held here at the school.

POINTS OF ADMISSION

There is a legal requirement that all children begin full time education by the beginning of the term following their fifth birthday.

DEFERRED ADMISSION

September 2011 is the earliest point for admission to the Reception class at this school but is not a compulsory start date. All parents can defer admission within the Reception year until the beginning of the term following their child's **fifth** birthday. This is a decision for the parent to make, taking all factors into account including the advice of educational professionals.

Those parents who decide that their child should defer must inform the Headteacher. The place offered for their child **will be held open and will not be offered to another child**. Where a parent does not inform the Headteacher that admission is to be deferred and does not admit the child in September, the place may be withdrawn and offered to another child.

Children born between 1 April and 31 August cannot defer admission to Reception into the following September but can apply for a place in Year 1. This would be an in-year application, no earlier than the half term in June 2011.

The Torbay Local Authority policy on deferred admission can be viewed at www.torbay.gov.uk. It applies to all schools in Devon including this one.

DELAYED ADMISSION

This is where a child starts an academic year later than normal but still enters at the Reception stage. Such an arrangement must be supported with any combination of medical, social and educational evidence from independent professionals. A place cannot be guaranteed a year in advance. For discussion and advice, a parent should contact the School Admissions Team. It is advisable to submit an application on time in any event whilst a request for delayed admission is considered by all parties including the governing body. Delayed admission in Torbay is covered by a local authority policy, available at www.torbay.gov.uk.

HOW TO APPLY OUTSIDE THE NORMAL ROUND - IN-YEAR ADMISSIONS

Requests for admission to Reception made after the normal round of admissions – after 31 August 2011 – and requests for places in other Year Groups should be made direct to the LA where the child is resident. All In-Year admissions to the school will be made in line with Torbay LA's In-Year Co-ordinated Admissions Scheme. This is available for review at www.torbay.gov.uk.

ADMISSIONS OVERSUBSCRIPTION CRITERIA FOR WARBERRY C OF E FOUNDATION PRIMARY SCHOOL

A child with a Statement of Special Educational Needs (SEN) which names our school will be admitted.

Where we receive more applications than the number of places available - the Planned Admission Number - the governing body will prioritise applications using the following criteria:

1. Children in Care
2. Children with a sibling/siblings* attending the school at the time of admission
3. Children living in the designated area.
4. Children who attend Warberry Nursery class at the time of application
5. Children living outside the designated area

(a) If it is necessary to distinguish between children in a particular category, priority will be determined on the basis of distance between home and school as a direct line from the entrance of the property (residential dwelling) to the school. The shorter the distance, the higher the priority. Where necessary, measurements will be to the closest metre. Parents should note that the direct line policy does not apply to school transport decisions.

(b) In the event of both children living equidistance from the school the final tie breaker will be the drawing of lots.

(c) Higher priority may be given to the admission of a child for whom an exceptional medical, educational or social justification is demonstrated. Such decisions will be made using a Protocol for admission to children with Exceptional Medical or Social Justification.

(d) Priority may be given to a child who is to be admitted to a designated special educational needs support centre at the school. We do not currently operate a special educational needs support centre at this school.

(e) Where applications are received from families with multiple birth siblings (twins, triplets, etc.) resident in our designated area, every effort will be made to allocate places here, including offering place(s) above the Planned Admission Number wherever possible. This recognises the exceptional nature of the emotional bonds between multiple birth siblings and the commitment to meeting the preference of children for their designated school. Should this result in more than 30 children in a Key Stage One class, qualifying measures will be taken to ensure that Key Stage One class size legislation is not breached. Where that is not possible, parents will be invited to decide which of the children should be allocated the available place(s) or seek places at an alternative school with sufficient vacancies to accommodate both or all of the multiple birth siblings.

(f) Where applications are made at the same time for two children not falling within multiple birth siblings, (sometimes referred to as contemporaneous admissions) the application will not be considered under the 'sibling' criteria.

(h) A sibling will be considered where he or she will be attending in Reception, Year 1 or 2 / Reception or Years 1 to 6 at the time for which admission is sought.

(i) Where two or more children reside within a block of flats, they will be deemed to live at an equal distance from the school.

ADMISSIONS OUTSIDE A CHILD'S NORMAL AGE GROUP

Parents can request a place in a different Year Group if, for example, a child is particularly gifted or

talented or has missed a significant period of education through ill health. We will consider each request on its own merits. There is a statutory right of appeal if this is refused unless we offer a place in the child's normal age group.

FLEXI-SCHOOLING

This school respects requests from parents for their child to be part educated at home. Requests will be considered on an individual basis and will be determined by the Headteacher. There will be consideration of the benefits and disadvantages expected for the child as well as the impact on the school with regard, for example, to organisation and discipline.

DESIGNATED AREA

The designated area for this school can be viewed at Torbay LA or by contacting the school.

EXTENDED SCHOOLING

This school does offer extended school arrangements. Further information is available from the school and our website – www.warberry-primary.torbay.sch.uk

HOME-SCHOOL AGREEMENT

Admission to school is not conditional on signing a home-school agreement. However, we will offer this to all parents after children have been admitted as we consider agreements to be a positive way of promoting greater involvement between parents in their child's education.

UNIFORM POLICY

Children attending our school are expected to wear a uniform. The items required can be viewed on our school website. They are available locally from Riveria Schooldays and also from most retail outlets. While Torbay LA does not offer financial assistance with uniform and school equipment expenses, parents can contact the Education Welfare Service in cases of extreme hardship. Parents unable to purchase items of uniform or equipment will not be penalised. We operate a scheme to assist families in need.

SCHOOL FEES AND CHARGES

There is no charge for applying for a place at this school, for admission or for the provision of education. We will not request donations before or during the admissions process and any donations made to the school following admission are entirely voluntary. No activities such as school visits are compulsory. A policy on charging for activities is available on request from the school and can be viewed on our website.

OBJECTIONS TO THIS POLICY

For information on how to object to the terms of this or any other admissions policy or procedure, advice is available at www.schoolsadjudicator.gov.uk. This should be by the 31 July.

DEFINITIONS

| | |
|------------------|---|
| Children in Care | These children are looked after by or provided with accommodation in the exercise of its functions by Torbay LA or any other LA which has informed Torbay LA of its wish to place a child. Previously, these children were called Looked After. |
| Designated Area | The geographical area served by a particular school. It is sometimes called the 'catchment' area. Residents of a school's designated area have a higher priority for places when a school is oversubscribed than those who live outside the area. |

| | |
|--------------------------|--|
| Living | This is defined as the address where the child is normally resident. Where a child lives at more than one address through shared residency, the home address will be with the parent who receives Child Benefit. |
| Parent | A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parents' attendance at church' it is sufficient for just one parent to attend. Where we use the term parent, we also mean carer or guardian. |
| Planned Admission Number | This is the minimum number of places available at the school. In limited circumstances, more will be admitted according to the Primary Co-ordinated Admissions Scheme. It is calculated taking into account the physical capacity of the school, the level of demand expected from local, in-area children and sensible school organisation. |
| Sibling | This will be a full, adopted half or step brother or sister and will include a full, adopted half or step brother or sister living at a different address. Foster children will count as a brother or sister to those living within the foster household or where appropriate, the natural parental home address. |
